MESSAGE FROM THE PRINCIPAL

Dear Parents, Students and Well-Wishers,

August has been a month filled with enthusiasm, learning, creativity and achievement at The Vijay Millennium.

Our students embraced every opportunity to learn beyond the classroom — whether on the sports field, on stage, through creative expression or while celebrating the rich cultural traditions of our nation.

The **VI Cluster Athletics Games 2026** was particularly a significant milestone. Hosting athletes from **Tamil Nadu, Pondicherry and the Andaman & Nicobar Islands** transformed our campus into a vibrant arena of sporting excellence. The determination, discipline and sportsmanship displayed throughout the five-day championship were truly inspiring.

Our **Independence Day celebrations**, including the delightful Paper Craft Activity by Grades 3 to 5, reflected our students' creativity and patriotic spirit. The **International Youth Day Assembly** encouraged our young learners to think about leadership, responsibility and their role in shaping society, while the **Onam celebrations** brought colour, culture and togetherness to our campus.

Academic learning continued with the successful conduct of the **PA-2 examinations**, enabling our students to demonstrate their learning and progress.

Every experience this month reminded us that education is not confined to textbooks. It is found in **participation, perseverance, creativity, collaboration and character**

I congratulate our students and teachers for making August a memorable month of growth and achievement.

Let us continue to learn with curiosity, lead with courage and strive for excellence.

With warm regards,

Mrs. M. Celine Josephine

Principal
